Space Cake is our Newest Offering for Summer 2023

Created by Bhodi Seeds by crossing Girl Scout Cookies & Snow Lotus, Space Cake delivers indica-dominant effects with a pleasing flavour of sugar and fuel. It's extremely potent, receiving the highest THC reported by one Canadian Lab. This strain has small, dense flowers with intensive trichome coverage. Space Cake is always hand-dried, hand-trimmed and never irradiated.

Getting to quality is more than our business — it's our passion.

The Dank Craft Way

At Dank Craft, we take pride in crafting high-grade cannabis that smells great, has bold flavour, and burns clean.

It's cannabis you'll want to enjoy every day. By finding unique genetics we ensure you get craft cannabis that consistently makes for great experiences. Grown with thoughtful care we maximize the plant's expression of cannabinoids and terpenes. We then carefully manage the drying, trimming and packaging processes to preserve quality every step of the way.

Thanks to our passion and dedication our team's efforts helped make Dank Craft the #1 brand in Ontario.
