

# Garlic Funk

MOTHER 28 GF CAN

## 1. Genetic Description

Garlic Funk (MOTHER 28 GF CAN) is a standout hybrid bred by Mother Labs, by crossing **First Class Funk** and **GMO**. This strain features dense, trichome-rich buds with distinctive garlic, cream, and funk aromas. Known for its potent and unique effects, Garlic Funk delivers a fast onset and a balanced high felt throughout the whole body. Despite its potency, it induces active, yet heavy effects, making it suitable for those seeking a stimulating and invigorating experience. Perfect for evening use, its unique garlic-forward flavor profile is sure to excite patients.
